Order Serial Number :

Dated : 01-03-2024

M.A.No.20/2024.

Applicant appears in person. Mr. Ajay Chaubey, learned Sr.PC, is present.

This is an application filed for condonation of delay occurred in filing the review application filed with a prayer to review the order dated 24.11.2023 passed by this Bench in Diary No.349 of 2021. For the reasons stated therein and the applicant having shown sufficient cause warranting condonation of delay the same is hereby condoned. The application is accordingly allowed and stands disposed of

R.A. No.01/2024.

In this application the order dated 24.11.2023 passed by this Bench in Diary No. 349/2021 has been sought to be reviewed/recalled on the grounds inter

alia that the same is contrary to law laid down and also the facts of the case. However, on going through the order sought to be reviewed and also the records as well as the submissions made during the course of hearing we do not find any reason to interfere with the order sought to be reviewed. In our considered opinion there is neither any mistake nor error apparent on the face of record or sufficient reason shown to take in its sweep a ground analogous with those specified in the statutory provisions warranting the review of an order and that too when this Bench has dismissed the application after taking into consideration the given facts and circumstances and also the law laid down by the Hon'ble Supreme Court by way of various judicial pronouncements

As a matter of fact, the review applicant under the garb of the review application wanted this Tribunal to rehear the matter which is not legally permissible. The review application being devoid of any merit is dismissed.
